Customer Notice – Increase to current Fuel Surcharges commencing May 2012

Dear Valued Customers,

As you are well aware, diesel fuel prices have continued to increase over recent months to a level where we can no longer sustain to absorb these increases.

Seamless Logistics has maintained its low fuel levy surcharge for over 12 months now and regrettably commencing 14/5/2012 we will need increase our fuel levy to 13%.

Should you have any queries or require further information about this notice please don't hesitate to contact us.

Thank you for your ongoing valued support.

Warmest Regards

Seamless Logistics Services PL
