To Our Valued Customers,

As a result of ongoing industrial action at DP World and their associated terminals we are experiencing difficulties in securing and retaining reliable times for truck movements in/out of their terminals.

Seamless Logistics apologize if you have been affected by these disruptions so far and assure you that we are doing our best to maintain dependable container service levels under these difficult circumstances.

We would like to re-emphasise that it is our intentions to work through this crisis with minimal disruption to container traffic, but we need the support of our customers to make sure we can collectively make the best of these difficult conditions.

We thank you for your understanding and valued support.

Kindest Regards
